

ANGELS MEETING

Metropolitan Hospital, Piraeus, Greece

October 22, 2017

10:00-11:30

Session A: Acute Stroke Unit Protocol of intravenous thrombolysis for acute ischemic stroke

1. Time metrics (10:00-10:30)

Apostolos Safouris, MD, Greece (Vascular Neurologist)

2. Safety and efficacy (10:30-11:00)

Odysseas Kargiotis, MD, Greece (Vascular Neurologist)

3. Intravenous thrombolysis in tPA eligible patients with acute Large Vessel Occlusion (11:00-11:30)

Georgios Magoufis, MD, Greece (Interventional Neuroradiologist)

11:30-12:30

Session B: Live simulation of tPA protocol in real time

Live simulation will last 40min and there will be questions for another 20min

12:30-13:00

Coffee Break

13:00-14:00

Session C: Intravenous thrombolysis for Acute Ischemic Stroke: real-world experience

1. SITS registry in Greece (13:00-13:30)

Georgios Tsigoulis, MD, Greece (Vascular Neurologist)

2. Get with the Guidelines Registry & Harvard experience (13:30-14:00)

Vasileios-Arsenios Lioutas, MD, USA (Vascular Neurologist)

14:00-15:00

Teleconference with other principal investigators of Greek SITS Registry centers

AHEPA University Hospital, Thessaloniki (14:00-14:20)

Theodore Karapanayiotides, MD, Greece (Vascular Neurologist)

Alexandroupolis University Hospital, Thrace (14:20-14:40)

Konstantinos Vadikolias, MD, Greece (Vascular Neurologist)

Heraclion University Hospital, Crete (14:40-15:00)

Panayiotis Mitsias, MD Greece (Vascular Neurologist)

15:00-15:15

Discussion
